Balance of Camp Fee:

The balance of the camp fee is due at the start of the camp session.

Refunds: If not accepted for a program, the deposit will be returned. A cancellation by the applicant less than 14 days before the start of the program will result in the loss of the deposit. In the event that the space can be filled in the remaining time, the deposit will then be refunded. Refunds after the session has begun will only be made if, due to inclement weather or other unforeseen circumstances, the Association is unable to conduct the program.

Campership Fund: The HNA Summer Camp Programs are of enormous benefit to a great many children in our area. We have come to realize, however, that for some families the cost of Summer Camp is not affordable. In order to make this quality experience available to these children, the HNA has established a Campership Fund.

Please consider making a gift to the Campership Fund. Your gift will help make it possible for many children to attend camp who might otherwise not be able.
